

President Barack Obama Speeches added to Learn360 for 2009-10 School Year!

AIM Education Inc. had expanded it's agreement with American Rhetoric to include all of President Barack Obama speeches!

Learn360 is proud to announce an extended partnership with AmericanRhetoric.com to include the Barack Obama video speeches to Learn360 for the 2009-10 school year. AmericanRhetoric.com is an extensive online database of text, audio, and video versions of speeches and other rhetorical artifacts delivered in the U.S. over the past 70 years. Its educational mission is designed to animate the study and practice of American Public Address. Main site areas include the "top 100 political speeches of the 20th century," Hollywood movie speeches, 9/11 speeches, illustrations of various figures of speech, and an online speech bank. Its founder and creator, Michael E. Eidenmuller, Ph.D., is an associate professor of speech communication at the University of Texas at Tyler. Pleased about the partnership, Dr. Eidenmuller stated, "I am thrilled to partner with Learn360 in our common educational mission of providing great contemporary speeches in high quality video and audio formats. The speeches contained in this selection occupy an important place in the historical and contemporary practice of American public address."
